### ADVICE ON ARREST

Say **"NO COMMENT"** to all police questions during casual chats, 'booking in' & interviews. At the police station you may wish to give your name, address and date of birth to speed your release. For your protection and that of other people **don't answer further questions.**

Do **not** accept a **CAUTION** without advice from a recommended solicitor. This is an admission of responsibility and goes on the police national computer.

You have the right to **FREE LEGAL ADVICE** at the police station. Duty solicitors don't always have experience with protest law, we recommend asking the police to contact:

**Harrison Bundy (Leeds):** 0113 200 7400 / 07659 106872 (out of hours)

You have the right to have someone informed of your arrest (make that the **Protest Support Line** unless otherwise arranged: **07946 541 511**).  
You have the right to an interpreter if English is not your first language.  
If you are or appear under 18 an appropriate adult should be called.
