

Trainings Schedule

We offer trainings about Knowing Your Rights (KYR) on actions and on becoming a Legal Observer (LO). **Please [read what these are about](#) to ensure you sign up for the trainings appropriate to your needs.**

Upcoming trainings and registration links are listed below. Keep an eye on this page for further announcements. Please note that Know Your Rights trainings are a prerequisite for LO trainings, so if you are hoping to attend an LO training, please make sure to attend one of these first.

We know there is high demand for these trainings at present. We will be publishing more dates as they become available. If you can't make these dates, there will be more opportunities soon.

All trainings are FREE. Trainings are held on Zoom (online) or in person around the country.

If you have any questions about trainings, please contact the Training Collective by email: gbctrainings@protonmail.com or call the protest support line (07946 541 511).
