

Order a Legal Observer Bib

If you've completed your training, you can now submit below to receive an LO bib to be posted to your home. Please note that we fulfill these requests on a batch rather than rolling basis, about every 2-4 weeks.

If you **need** an expedited bib delivery, such as for an imminent action, please call the Protest Support Line on **07946 541 511**. We will aim to despatch this within 3 days (although hopefully next day) with next day delivery, so it should arrive within 4 working days. Please note, because we need to process address data, a special data handling protocol for ordering LO bibs is available [here](#).

All the bibs we send out are XL size. This means that they can fit over a coat/bag if you are smaller. If you need a larger size than this, please email gbcresources@protonmail.com
