

1. When Can I Be Stopped?

1. When Can I Be Stopped?

Powers to stop

The police might decide to stop you at any time and ask you questions, such as

- What are you doing?
- Why are you in this area?
- Where are you heading and where have you been?

You **do not** have to answer any of these questions. We suggest you don't, or that you respond with “**No Comment**”.

This is known as a **Stop and Account**.
