

**Police Station Support**  
**Protest Legal Support Helpline: 07946 541511**

Try to complete as much of this as possible. If people are too upset, tired etc. don't push it but do try to give them a post-arrest leaflet if you have some on you and at the very least get their name and email contact. Update the Legal Support Line, so they can identify who remains in custody, inform friends and family etc.

**NB. Please PRINT IN THE BOXES WITH BLOCK CAPITALS**
